IS MOVING

As ALL of our customers who have been to our shop recently must have realized, we have outgrown our current location, (and have for a long time). We have been at 630 Bay Street for 14 years, and after much searching, we have found a larger and better place.

To those of you who have had to wait for a clear day before we could letter your truck, van or taxi, we now have space to get a vehicle inside and will not be held up by the rain, (however, Leya will still do it outside on a sunny day!)

**EFFECTIVE OCTOBER 1st, 2007, OUR NEW LOCATION
WILL BE #5-416 GARBALLY ROAD, VICTORIA**

PHONE NUMBERS AND EMAIL WILL REMAIN THE SAME

Telus has told us our phones will be hooked up on Monday, October 1st, but should anyone have any difficulty getting us on our regular lines, please try my cell at 812-7522
